I the lines by G. L.

Logic holds, and calm content
Makes the man austerely wise;
Till lo! she smiles! and caution's frest
Meits in the sunshine of her eyes!

G. H.

There is much of sound, practical wisdom in the letter signed "Wife," which reads thus: In my opinion the reason why young mer do not marry is: First, want of confidence in women: especially is this the case in large cities. Second, poverty; or the fear of it, arising doubtless from an exaggerated con

do not reflect that a good and sensible woman would increase their material comfort without greatly, if at all, encroaching upon the purse. What is enough for one, tie said, is enough for two, Many other letters went to the core of "Patriarch;" "A Keen Analysis,"
